

THE AURICLE WINE LIST

The Auricle is the world's only "oenosthetic" wine bar, with a wine list curated by wine writer and sonic artist, Jo Burzynska. This includes fine local and international artisan-produced wines selected to complement the current exhibition and the music playing in the bar. The bass-driven nature of sculptures: 5 requires rich and robustly flavoured wines, with its rhythmical elements suited to ones exhibiting an underlying freshness and lifted aromatics.
