

The Auricle Drinks & Food List

The Auricle is the world's only "oenosthetic" wine bar, with a wine list curated by wine writer and sonic artist, Jo Burzynska. This includes fine local and international artisan-produced wines selected to complement the current exhibition and the music playing in the bar. The minerality of the wines on this month's list provides a conceptual harmony with the stones of Fate Of Things To Come, while their crispness pairs with the exhibition's high to mid-pitched tones. The Auricle is a charitable organisation, with all profits from the bar reinvested into the running the gallery.
