

The Auricle Drinks & Food List

The Auricle is the world's only "oenosthetic" wine bar, with a wine list curated by wine writer and sonic artist, Jo Burzynska. This includes fine local and international artisan-produced wines selected to complement the current exhibition and the music playing in the bar. This month's wines are rich and well structured to work with the often dense and grainy analogue sounds of Alive to the Timbre of your Touch.
